

WANT TAFT'S VIEWS

Civic Forum Hearers Ask Secretary Questions.

MANY ARE NOT PERTINENT

Candidate Favors Revision of the Tariff, but on the Protection Theory—Believes in Larger Army and Navy So Our Words May Be Backed by Sufficient Force.

New York, April 28.—Secretary Taft, speaking before the Civic Forum at Carnegie Hall to-night, gave his views on the cause for the general delay in the enforcement of law in this country and suggested reforms which he believed would have a wholesome effect both in the civil and criminal courts.

After his regular speech Secretary Taft, in accordance with the practice of speakers before the Civic Forum, contracted to answer any questions that were submitted to him provided they were pertinent to the subject of his address. Only two or three of the questions dealt with the laws, but the Secretary graciously answered all.

One man wanted to know if all this "war" about injunctions did not indicate that certain powers now exercised by the courts should be given to some executive department instead. Secretary Taft replied that he did not think power now exercised by the courts should be taken from them. Another subject of the evening was this: "Are the Republicans leaders willing to confess the connection between the protective tariff and the political high prices of the necessities of life?"

"I am willing to suggest," said Secretary Taft, "that leaders are not willing to confess any reflection on the policy they uphold. I would answer that question, 'No.'"

Constitution Is Satisfactory.

Another questioner wanted to know if the trouble in this country wasn't really that the Constitution couldn't be interpreted so as to apply to present conditions. Secretary Taft was decidedly of the opinion that it was entirely possible to meet every question and bring it to its proper solution within the restrictions of the Constitution of the United States. "Which has brought the greater restraint of trade, 'My policies' or 'Great trusts'?" was the next question asked.

"I can't deny," said the Secretary, "that I know what the writer means by those quotation marks. Interpreting them to mean the policies of Theodore Roosevelt, I should answer that Theodore Roosevelt's policies have brought about a great restraint of illegal trade. (Applause) Also that the great combinations of capital which conducted their business in violation of the anti-trust law have brought about a great restraint of legal trade."

Another man wanted to know if Mr. Taft was aware that high protective tariffs made great industrial corporations. And if so, how could Mr. Taft stand pat, and at the same time be a member of an administration that assails "Great and prosperous enterprises?"

Favors Tariff Revision.

"It is the theory of us protectionists," said the Secretary, "that the protective tariff encourages great industrial corporations and great industrial prosperity in this country. As to the question I am able to stand pat, I don't think I come within the definition of a standard. I favor revision, but I want revision on the protective theory, so that our prosperity may continue."

Referring to the latter part of the question, Mr. Taft said it would be discouraging to be a member of an administration which assailed prosperous industry. "I will say," he added, "that among the various things that occasion nervous strain for me, this is not one."

Mr. Taft is in favor of the enlargement of the army and navy, so that when we take part in the councils of the nations or undertake to discuss national morality, our words may be backed up by sufficient force to make them dignified.

He is in favor of child labor laws, but he wasn't prepared to say whether they were a proper subject of State or national legislation. He did not, he declared in response to a question, change his views on organized labor since his address at the Cooper Union meeting.

NEW BODY TO AID TAGGART.

Indiana Democrats Will Have Regular Tammany Organization.

Indianapolis, April 28.—Local Democrats are in a stew over the discovery that a Tammany organization has been perfected here in opposition to the regular county organization which defeated Taggart's followers some time ago and elected William Fogarty county chairman.

The organization has named its officers in all the wards and townships, each of which has a chairman, vice chairman, secretary, and three lieutenants. The head of the central organization are John Navin, chairman, and Al Zeigler, secretary. Navin was the Taggart candidate for county chairman, and was defeated by Fogarty. Zeigler is a candidate for the legislature. He was secretary to Taggart when the latter was mayor, and has been in the employ of the national chairman in various capacities.

National Chairman Taggart denies that he knows anything about the new organization or has had anything to do in forming it. The fact that all the officers are his close friends and that appeals to Democrats to join it have been made in his name is thought to mean that he cannot be ignorant of its purpose.

BALTIMORE FAVORS TAFT.

Instructions for War Secretary Are Voted Down, However.

Baltimore, April 28.—The second district Republican convention, comprising Baltimore, Carroll, and Harford counties, and two of the city wards, elected as delegates to the national convention C. Ross Stone, of Baltimore County, and William T. Henry, of Baltimore City.

Resolutions were adopted hoping that Secretary Taft would be nominated for President. An amendment instructing the delegates to vote for Taft was voted down.

A feature of the convention was the defeat of National Committeeman Stephen A. Williams, who was a candidate for delegate to the national convention.

Instruct for Taft.

Pueblo, Colo., April 28.—The second Congressional Republican convention was held this afternoon, following the State convention, and was harmonious. Resolutions approving the Roosevelt administration and instructing the delegates to vote for Taft for President were unanimously adopted. Congressman Warren A. Hargrove was nominated by acclamation. Clyde C. Dawson, of Canon City, and A. A. Rolestone, of Cripple Creek, were chosen delegates to the national convention.

MAY IMPEACH FEEHAN.

District President of Miners Blamed for Trouble by Operators. Pittsburgh, April 28.—The impeachment of Francis J. Feehan, president of the District, No. 5, United Mine Workers of America, is openly threatened by some miners, and most operators in the Pittsburgh district, the claim being made that he has now taken it on himself to disrupt peaceful relations which had been restored between the workmen and employers, so that 75 per cent of the mines started up in this district have again been closed upon the operators on the claim that Feehan is interfering.

COLORADO FOR TAFT.

Republican State Convention Declares for the Secretary.

Pueblo, Colo., April 28.—The Republican State convention, in session here to-day, adopted resolutions endorsing Roosevelt's administration and declaring for William H. Taft as his successor.

The state for delegates at large, as agreed upon by the convention, is as follows: Crawford Hill, of Denver; Thomas F. Walsh, of Arapahoe County; Dr. Hubert Work, of Pueblo; William Lennox, of El Paso, and State Senators Horace T. DeLong and W. A. Drake.

NEW JERSEY REJECTS BRYAN

Champion of Nebraskan's Cause in State Convention Defeated.

Trenton, April 28.—Robert Davis, the Democratic leader of Hudson County, and champion of the Bryan cause in New Jersey, suffered a crushing defeat at the hands of his old-time political opponent, ex-United States Senator James Smith, Jr., of Newark. Mr. Smith controlled absolutely the State convention to elect delegates to the national convention at Denver, and was successful in carrying out his plans for an uninstructed delegation of his own choosing.

Mr. Davis had hoped to be one of the four delegates-at-large, but during his fight he was forced to accept a place as district delegate from Hudson County.

The delegates-at-large selected are: Ex-Senator Smith, of Newark; Mayor Frank S. Katsenbach, of Trenton, the Democratic candidate for governor last year; Senator John Hinchcliffe, of Paterson, and ex-Judge Howard Carrow, of Camden.

The alternates chosen were: Col. John S. Bell, of Newark; James E. Martine, of Plainfield; Michael A. Devine, of Atlantic City, and David S. Crator, of Monmouth.

This was the state agreed upon by the Smith people last night, except for the substitution of ex-Judge Carrow for ex-Senator Hudspeeth. When the selection was made Mr. Hudspeeth declined to be a candidate, withdrawing his name from the convention and urging the convention to support Davis.

WILL FIGHT BRYAN PLEDGE.

Connecticut Convention to Have Animated Session To-day.

New Haven, April 28.—The indications are that the Democratic State convention, which opened here to-night, will not adopt a resolution instructing the delegates to Denver for William J. Bryan. To-morrow the delegates will be named. It was stated to-night that a resolution instructing the delegates to the Denver convention for Bryan would be presented and that it would be turned down. While there is a good deal of sentiment in favor of Bryan, the leaders do not sanction sending tagged delegates to Denver.

The other delegates-at-large, according to the state now arranged, will be John J. Walsh, of South Norwalk, ex-chairman of the State committee. Other delegates include ex-Senator William Kennedy, of Naugatuck, and M. B. Cary, of Ridgefield, defeated candidate for governor.

Col. Troup, who is Bryan's most energetic friend in New England, and who is president of the New England Democratic Bryan League, is uncompromisingly in favor of a resolution instructing the delegation for Bryan, and his friends in the convention will work to bring about the adoption of such a resolution.

SPLIT IN FIFTH ALABAMA.

One Faction Instructs for Taft the Other Is Silent.

Birmingham, Ala., April 28.—A split convention was held by the Republicans of the Fifth Alabama district to-day. The faction following State Chairman Joe Thompson selected Hiram Gussion and W. V. Chambliss as delegates to the Chicago convention and instructed them for Secretary Taft for the Presidency. W. W. Wadsworth was nominated for Congress.

The other faction, following the leadership of National Committeeman Charles Scott, selected Joseph C. Manning and M. H. Russell as delegates to the national convention without instructions.

The Davidson faction of the Republican party in Alabama will hold its State convention in Birmingham Wednesday.

MOBILE FAVORABLE TO TAFT.

Roosevelt's Stand in Brownsville Matter Gets Approval.

Mobile, Ala., April 28.—Mobile County Republican convention was held to-day, with a large attendance, and perfect harmony prevailed. The so-called Lily White Republican movement in Alabama was denounced vigorously, a number of speakers saying they preferred the Democrats in State politics to the Lily White organization.

The candidacy of Secretary Taft for the Presidency was endorsed, as was the administration of President Theodore Roosevelt, and his stand in the Brownsville matter endorsed.

MAY HOLD A CAUCUS

New York Republican Senators to Act on Race Bills.

MR. RAINES GIVES HIS VIEWS

Leader at Albany Declines to Commit Himself on Action to Be Taken at Special Session—Confronts Franchiser's Sent Is Now On-Hughes' Followers Making Plans.

New York, April 28.—Chairman Timothy L. Woodruff, Senator John Raines, leader of the upper house at Albany, and Francis Hendricks, of Syracuse, met to-day at Republican State headquarters and talked of the Republican situation in the State, and incidentally discussed the probable outcome of the extraordinary session of the legislature which Gov. Hughes has called for May 12.

It was not a conference. There was nothing prearranged in the meeting. Senator Raines said that the legislature would assemble to listen to the governor's message informing them, in accordance with the constitutional provision, which measures the legislature may consider.

Will Be Sent to Committee.

"The measures," continued Senator Raines, "will be referred to the appropriate committee and will be considered by them carefully. Then the members will vote on them according to the dictates of their individual consciences."

"Do you think the Agnew-Hart bills will be passed?"

"I don't know how any particular senator intends to vote," replied Mr. Raines. "I don't know whether any senator intends to change his vote one way or the other, and I don't know whether the new senator to be elected from the Niagara district will be for these bills or against them."

The contest for senator in the Niagara district to succeed the late Senator Franchot is now on. It is to be a stout fight. The senate district was carried by Franchot in 1907 by 750 votes. Senator Raines went on to say that if a majority of the Republican senators demanded a caucus on Gov. Hughes' measures, he would very gladly call a caucus.

Plan to Aid Hughes.

Gen. Stewart L. Woodruff, president of the Hughes League, together with Seth Low and Frederick R. Hazard, three of the four delegates-at-large to the Chicago convention, will confer Thursday with district delegates to the State convention for the purpose of rounding them up and starting in on the plan of campaign for Gov. Hughes.

It was stated to-night this assembly is not to be looked upon as a caucus; rather an effort to enlighten the delegates to put in their best work, and to bring about some sort of campaign by which, when the delegation reaches Chicago, it can be made effective in discussing Gov. Hughes' availability with Republican delegates from other States.

When the convention met for the afternoon session a riot was narrowly averted, when Capt. John Capers, who was attempting to address the delegates, was threatened with a stick by a negro named E. B. Thompson, a self-appointed temporary chairman. Capers took hold of the negro and hurled him from the platform, the latter falling upon his head five feet below. He was not seriously hurt. Immediately the large number of negroes in the hall rushed to the platform as if to harm Capers. Capers was surrounded by a few whites and a large number of negroes who protected him from the mob. Negroes were seen to reach for their revolvers, but none was drawn. The delegates, while uninstructed, are favorable to the administration. An effort to name a contesting delegation failed.

VERMONT DOES NOT INSTRUCT. Four of State's Delegates to Chicago Convention Named.

Burlington, Vt., April 28.—The Republicans to-day elected four of the State's eight delegates to the national convention at Chicago.

At the first district convention held here delegates elected were Col. Thad M. Chapman, of Middlebury, and Roger W. Hubbard, of Hyde Park. Second district delegates elected at Montpelier were Gen. N. G. Williams, of Bellows Falls, and Gilbert M. Campbell, of Lynden. All go uninstructed.

A sensation was caused in the convention when a resolution calling for Roosevelt to run again was introduced. While the sentiment of the convention was overwhelmingly for Roosevelt, the resolution was tabled. The State convention meets to-morrow to name Vermont's four delegates-at-large.

TAFT ADDRESSES RED CROSS.

Secretary Urges Increased Membership in Aid of Sufferers.

New York, April 28.—Secretary William H. Taft, president of the National Red Cross, was the principal speaker at a special meeting of the New York State branch of the Red Cross in the Astor Gallery of the Waldorf-Astoria to-day. The meeting was held for the purpose of arousing enthusiasm in the work of the Red Cross and of increasing the membership of the National Red Cross so that eventually the Red Cross might be in a position to take hold of any great work for sufferers from any sort of disaster so that the President of the United States and the Secretary of War would not be obliged to use the property and supplies of the government without authority.

WILL INSTRUCT FOR KNOX.

Pennsylvania Convention Expected to Urge Senator's Nomination. Harrisburg, Pa., April 28.—Everything is in readiness for the Pennsylvania Republican State convention to-morrow. The only State officer to be nominated is a judge of the Superior Court, and Judge William D. Porter, of Pittsburgh, will be renominated without opposition.

Gov. Stuart, Col. James Elverson, publisher of the Philadelphia Inquirer, Col. Charles A. Rock, publisher of the Pittsburgh Dispatch, and Representative Robert P. Hargrove will be elected delegates-at-large to the Chicago convention.

The platform will reaffirm the demand of Pennsylvania for the nomination of United States Senator Knox for President, and will virtually amount to a positive instruction to the State delegation to support Knox to the finish.

The platform will advocate moderate alterations of the tariff schedules wherever these may have become inequitable by reason of changed conditions, but will distinctly declare for the rigid maintenance of the protective policy, and against anything resembling wholesale revision. This plan is said to have been prepared by Senator Knox with the assistance of Representative Dalzell and other influential members of Congress.

There will be a mild endorsement of President Roosevelt.

RIOT IN STATE CONVENTION

South Carolina Republicans Fail to Instruct Delegates.

Columbia, S. C., April 28.—The Republican State convention met here to-day, and adopted resolutions commending the present administration, demanding equal accommodations for negroes on passenger trains, and endorsing the work of the present Congress.

These delegates-at-large were chosen: John G. Capers, of Greenville; L. W. C. Blalock, of Goldville; T. L. Grant, of Charleston, and E. H. Deas, of Darlington. Alternates—R. B. Tolbert, of Abbeville; Robert Smalls, of Beaufort; R. J. Logan, of Greenwood; L. D. Mellon, of Columbia, and R. T. Richardson.

When the convention met for the afternoon session a riot was narrowly averted, when Capt. John Capers, who was attempting to address the delegates, was threatened with a stick by a negro named E. B. Thompson, a self-appointed temporary chairman. Capers took hold of the negro and hurled him from the platform, the latter falling upon his head five feet below. He was not seriously hurt. Immediately the large number of negroes in the hall rushed to the platform as if to harm Capers. Capers was surrounded by a few whites and a large number of negroes who protected him from the mob. Negroes were seen to reach for their revolvers, but none was drawn. The delegates, while uninstructed, are favorable to the administration. An effort to name a contesting delegation failed.

Reserves Are Summoned. Reserves finally were summoned from the East Fifth-first street station and the side streets were cleared. The doors were not opened until 10:30 o'clock, and this caused one of the greatest congestions in the vicinity of the church that Fifth avenue had seen in years. Thousands of men and women and children who had tickets of admission to the mass struggled for positions near the doors, and when the time came for the procession thousands were jammed against the front of the structure, forcing their way over the lawn and across Fifth avenue to the opposite curb.

Just before the procession left the Cathedral College in Madison avenue, the climes played the Star Spangled Banner, then "Lead Kindly Light," and finally, "Columbia, the Gem of the Ocean." Most of the men in the crowd stood with bare heads while the national anthem was ringing out, and then, just as the doors were opened, the procession entered Fifth avenue from East Fifth street. First came a bearer, carrying the processional cross, and on each side was an acolyte wearing a black cassock and white lace surplice.

Then Came the Monks. Fifty choir boys in purple surplices and white cassocks headed the clerical contingent, consisting of the Order of Christian Brothers, the Franciscans in their brown cowls trimmed with white, the Capuchins in black and white, and the white-robed Dominicans. Then there were the Redemptorists, Oblates, Jesuits, Augustinians, Paulists, Fathers of the Mission, Fathers of the Blessed Sacrament, Benedictines, Carmelites, Fathers of Mercy, Missionaries of St. Charles, and the Society of the Holy Name.
